

**3<sup>rd</sup> Edition of World Congress & Expo on Food Science,  
Obesity and Weight Management**  
**Hybrid Conference (Onsite & Online)**

*Theme: Advancing Nutrition and Health – From Food Innovation to Obesity Solutions*

**June 1-3, 2026 Bali, Indonesia & Valencia, Spain**

# Invitation

Linkin Science welcomes you all to **3<sup>rd</sup> Edition of World Congress & Expo on Food Science, Obesity and Weight Management** (Onsite and Online) to be held during **June 1-3, 2026** at **Bali, Indonesia & Valencia, Spain**. The theme of the conference is “**Advancing Nutrition and Health – From Food Innovation to Obesity Solutions**”. We anticipate your participation at Food and Obesity Hybrid event. The conference will catalyzes ideas and enhance new interdisciplinary collaborations.

Participants have the advantage of choosing their preferred location to present their research. Don't miss this opportunity to share your work and connect with a global network of experts to explore the forefront of innovation in nutrition, health, and sustainable food systems!

Food Science, Obesity & Weight Management are rapidly expanding fields playing a crucial role in global health, nutrition, and disease prevention. This conference serves as a dynamic platform for industry leaders, academic experts, clinicians, researchers, innovators, and policymakers to come together to discuss cutting-edge research, share advancements, exchange ideas, and showcase products related to food science and obesity management.

Food science and nutrition research are gaining significant attention across multiple sectors—from food technology and biotechnology to public health, lifestyle medicine, and preventive healthcare. Today, obesity and metabolic disorders represent one of the most urgent global health challenges, and advancements in food science, clinical nutrition, and weight management are evolving at an unprecedented pace.

Our exciting scientific program will be presented over the course of three days in various session types Keynote Presentations, Oral sessions, Young research forum, symposia, Poster sessions and workshops.

**Regards**  
**Scientific Committee**

## Conference Sessions

- Food Chemistry and Nutritional Biochemistry
- Food Microbiology and Safety
- Food Processing and Preservation Technologies
- Food Engineering and Technology Innovations
- Functional Foods, Nutraceuticals, and Bioactive Compounds
- Sustainable Food Systems and Circular Economy
- Food Biotechnology and Genetic Engineering
- Food Nutrition and Human Health
- Emerging Trends in Food Science and Technology
- Food Science & Obesity Interface
- Psychological and Behavioral Factors in Obesity
- Childhood and Adolescent Obesity
- Physical Activity, Exercise & Lifestyle Medicine
- Clinical Management and Pharmacological Approaches
- Gut Microbiome and Obesity
- Mechanisms of Obesity
- Nutritional Interventions for Weight Management
- Digital Health, Wearables & Personalized Nutrition

## Conference Highlights

- Best Poster Awards
- Opportunity for Workshops/ Symposia
- Young Research Forum (YRF)
- Great opportunity for Scientific Networking
- Opportunity to become a Sponsor/ Exhibitor

# Global Excellence Awards \$1500

Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will felicitate certificates under three categories.

- Outstanding Submitted Abstract
- Best Poster Presentation
- Young Researcher Award
- Best Research of the conference as evaluated by the Scientific Committee to encourage budding scientists/ researcher.

*Decisions will be made based on evaluation of the submitted abstract by the Scientific Committee. We want you to grab this opportunity and participate in the conference...!*

# About Conference:

Linkin Science offers different modes of registration options to work within your busy schedule according to the participant's interest. We offer registrations for Speakers, Co- Authors, Students, Virtual presenters, Business delegates, Poster Presentations, Accompanying persons, Sponsors and Exhibitors.

**Speaker Registration:** Speakers who are registered for the conference will give an Oral talk on a scheduled day and time.

The person who is interested in attending the conference and not intended to give the talk can choose for this registration. By choosing this registration, delegate can attend the conference for 3 days.

**Young Research Forum (YRF):** Includes students who are pursuing their PhD, Post Doctorate Fellowship

**Co-author Registration:** Co Author will be accompanied along with the speaker. Co- author of the research paper will also be awarded a certificate of presentation given by the Scientific Committee.

**Poster Presentations:** Poster Competition is organized at the conference, to encourage participants to present their original research which will be later published in Conference proceedings.

**Student Registration:** Students can choose student registration to attend the 3 day conference. Students will be felicitated with participation certificate.

**Virtual Presenter:** Participants who are unable to attend the conference and wish to present their research at the conference can register under Virtual presenter. Virtual presenters should submit their presentation as a media file. This presentation will be played during the conference.

# Previous Editions

## **World Congress & Expo on Food, Nutrition & Health 2019**

We gratefully thank all our wonderful Speakers, Conference Attendees, Students, Media Partners, and Associations for making Food, Nutrition & Health 2019 Conference the best ever!

Food, Nutrition & Health 2019, hosted by the Linkin Science was held during September 18-19, 2019 at Salles Hotel Ciutat Del Prat in Barcelona, Spain based on the theme "To enlighten the influential aspects of Food science, nutrition and health" which got magnificent response. With the support and guidance of Scientific Committee Members and amazing presentations of all participants along with Scientists, Researchers, Students and leaders from various fields of Food, nutrition and health has made this event a grand success.

## **2<sup>nd</sup> Edition of World Congress & Expo on Food, Nutrition & Health 2023**

We gratefully thank all our wonderful Speakers, Conference Attendees, Students, Media Partners, and Associations for making Food, Nutrition & Health 2023 Conference the best ever!

Food, Nutrition & Health 2023, hosted by the Linkin Science was held during October 02-04, 2023 at Amsterdam, Netherlands, based on the theme "New Advancements and Research in the Field of Food Science, Nutrition and Health" which got magnificent response. With the support and guidance of Scientific Committee Members and amazing presentations of all participants along with Scientists, Researchers, Students and leaders from various fields of Food, nutrition and health has made this event a grand success.

## **Sponsorship/Exhibition \$2500**

**Hybrid Conference on 3<sup>rd</sup> Edition of World Congress & Expo on Food Science, Obesity and Weight Management 2026 provides an exciting opportunity to sponsor/exhibit your products to the broad international-audience.**

- The company/organization logo will be featured on the Conference website, program and promotional material Corporate logo on the front cover of the final proceedings
- Full page advert inside the conference book
- Logo recognition in pre-conference emails
- One post congress e-mail message to consented congress registrants up to 60 days after the congress (content to be provided by the sponsor)
- An exclusive online Promotion on all our Social Networking Sites.
- Recognition of your products and services in the world market through our website
- Develop new client relationships and strengthen through B2B Meeting
- Brand briefing at the opening and closing ceremonies
- 10% Waiver on Sponsorship for any of our next year Conference

## Venue

Holiday Inn Resort Baruna Bali, Indonesia | Olympia Hotel Events & Spa Valencia, Spain

## About Bali & Valencia

**Bali**, often called the “Island of the Gods,” is one of the world’s most captivating destinations, known for its rich culture, stunning natural beauty, and warm hospitality. Located in the Indonesian archipelago, Bali offers a harmonious blend of ancient traditions and modern comforts. From pristine beaches and lush rice terraces to vibrant temples and colorful festivals, the island provides a truly immersive cultural experience.

**Valencia**, located on Spain’s stunning Mediterranean coast, is a vibrant and forward-looking city that perfectly combines innovation, history, and culture. As the third-largest city in Spain, Valencia is internationally recognized for its commitment to science, sustainability, and creativity. Valencia stands out as an academic and research hub, hosting renowned institutions like the University of Valencia and the Polytechnic University of Valencia, both contributing significantly to scientific advancement and innovation across Europe.
